## MY Y IS EVERY Y!

For a few years now YMCA members in New England have enjoyed reciprocity, allowing them to use any YMCA in New England, as a visitor, at no extra cost. The National YMCA has expanded this opportunity nationwide. **There are over 2,700 YMCAs across the United States!**

### HOW IT WORKS

Reciprocity is designed to allow members of a YMCA to use another YMCA, as a visitor, at no additional cost. Members must use their home YMCA more than 50% of the time in any given month. If a member finds himself using a different YMCA more than their home YMCA they must take out a membership at the other facility.

### HOW TO SIGN UP

In order to take advantage of Reciprocity, members must have a Regional Membership. Members will have to have a photo on file, sign a waiver and will receive a membership access tag.

### WHO HAS A REGIONAL MEMBERSHIP

#### Wiggins Center Members

Members of the Wiggins Center are automatically enrolled into the Reciprocity program (a photo and waiver is still needed to complete enrollment).

#### Blue Hill Members

Blue Hill Members are automatically enrolled into the Reciprocity program (a photo and waiver is still needed to complete enrollment).

#### Bucksport YMCA Program Members

Bucksport YMCA Program Members can access the Wiggins Center & Blue Hill YMCA for 1/2 the daily user fee (see page 8). They may also upgrade to a Regional Memberships by purchasing the Regional Membership through the Bucksport YMCA. With the Regional Membership they would access to all 3 facilities, as well as National Reciprocity. See page 8 for prices.

### EXCEPTIONS

Participating in the New England and National Reciprocity Program is up to each individual YMCA. Please be sure to check with any YMCA you may be visiting before you travel. We are happy to assist you in contacting another YMCA to see if they are a participating YMCA.

# Youth Development – Child Care & Afterschool

The Down East Family YMCA offers Child Care services in 3 locations and Afterschool services in 6 locations. We have offered childcare for over 25 years in Hancock County and continue to strive for the absolute best in educational and developmental programming.

We collaborate with over 20 different agencies in our community to ensure each child and family has access and the ability to receive every resource available. Along with our local Child Development Services agency, we have created an Early Intervention Initiative using assessments intended to open up communication between teachers and parents when developmental con-

cerns or questions arise. Children who receive early support have a greater probability of success in the classroom.

If you are interested in enrolling your child(ren) in our program, please contact us to discuss your specific childcare needs. Once we get your basic information, we will put you in touch with the Program Coordinator for your child's age group who will answer any questions you may have about the program and walk you through the enrollment process.

-Jessica Montgomery, Director of Childcare Services

## Bucksport YMCA Programming

### FITNESS ROOM FACILITY HOURS

Mondays-Fridays 6:00am-7:00pm, Saturdays 7:00am-12:00pm

### ZUMBA®

Tuesday and Thursday starting 11/2, Miles Lane Gym, 5:30pm-6:30pm  
 Zumba takes the "work" out of workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party. Once the Latin and World rhythms take over, you'll see why Zumba® Fitness classes are often called exercise in disguise. Super effective? Check. Super fun? Check and check. Classes lead by Kimberly Laplant, bring a friend!  
**\$35 per person for all 15 classes**

### HIGH INTENSITY INTERVAL TRAINING (HIIT)

Thursdays starting 11/2, 5:30pm-6:30pm, Jewett School Fitness Room  
 This is a class for anyone! Our group instructor Luke will provide challenges based on each individual's ability and present a fun and exciting class! HIIT workouts combine intense cardio with strength training, plyometrics and stretching exercises. The American College of Sports Medicine reports that these workouts burn more fat than typical steady moderate-level exercise programs, like running, but they can also improve your aerobic capacity in just a few weeks of training.  
**\$30 per person for 8 classes**

### SENIOR FITNESS

Tuesday and Friday, 9:00am-10:00am Jewett School Gym  
 A group exercise program for older adults that uses simple, easy-to-learn movements that motivate individuals (particularly those with arthritis) to stay active throughout their life.

Here are some of the changes our participants have noticed:

- More energy
- Better balance
- Increases in upper body and lower body strength
- More flexibility and range of motion
- Better sleep
- More feelings of happiness
- Sense of independence

**Free to the Community**

### INDOOR WALKING CLUB

Wednesday, 5:00pm-6:00pm, Meet at YMCA Fitness Room  
 Brrrr.....those walks are starting to get a little bit chilly! Wouldn't it be nice to have a large HEATED indoor space to walk?! Now you have it. Join us on Wednesday nights for a walk indoors at the Jewett Community Center. You won't need to worry about slipping on any ice and 6 and a half laps around the halls will get you a mile.
